**Hydration Tips for playing in Warmer Weather**

Drink cool water or sport drinks during play. Sport drinks are especially helpful during long matches, in hot weather and for recovery after play. Use a similar hydration routine before, during and after practice.

**Before Play**
- Drink 12-16 ounces about 1 hour before play begins.
- Drink fluids throughout the day.
- Prepare at least 2 quarts (64 ounces) to drink during play. Sports drinks are preferable for long matches or during play in hot weather.

**During Play**
- Drink 4 to 8 ounces (4 to 8 normal swallows) after the warm-up and during every changeover.
- Many players like to drink a sport drink or water, with an emphasis (e.g., 2:1) on the sport drink.
- For some players the fluid requirements may even be higher in very hot or humid environments.

**After Play**
- Weigh yourself before and after play and drink about 20-24 ounces of fluid for every pound of post-play body weight deficit.
- Immediately begin to replace fluid, electrolytes and carbohydrates with water, other fluids (e.g., juice, sport drinks, etc.) and food. Sport drinks are very effective if you are going to play again soon.
- Consider adding salt to your food and/or drinks if sweat losses were extensive.

**Inclement Weather**

Please note that the tournament format, number of matches and match length may change due to a team not showing up or circumstances beyond our control such as weather. However, rain or extreme heat could cause delays, modifications to the format, and possible cancellation of the tournament. There are NO back-up courts where the championship can be played in the event of rain.

In the event of rain or suspension of play caused by extreme heat, please remain at the tournament site until the tournament staff informs you of the play schedule. In the event of a long rain delay or heat suspension, it will be at the discretion of the Tournament Committee to use an alternative-playing format.

We will provide you a Hotline 800 number on-site to check for schedule changes if any.

**Cancellation of the Tournament**

If the championship, or part of the championships is cancelled due to rain or unforeseen circumstances, the championship will not be rescheduled.
